Youngsters need support of adults after the discharge

QUALITY INDEPENDENT LIFE

- the continuum of help
- still need adult support
- moral support and specific advice for quality independent life
- successful transition into independent life
 - strengthening the newly acquired behaviour patterns
 - completing education
 - acquiring employment and residence for living
 - forming strategies and ways of overcoming obstacles
 - learning of time management
 - learning of money consumption
 - stabilising or constructing (career, social) identity
 - planning personal future
 - solving potential problems
 - integration into a local community and building a social network
 - independent management of various obligations
- home visits, monitoring and support, conversations, counselling

OUR VISION

The ministry will decide to systematically regulate this area and we will continue with post discharge monitoring.
